

Pearson Primary School Governing Body

Governors are the strategic leaders of our schools and have a vital role to play in making sure every child gets the best possible education. This is reflected in the law, which states that the purpose of maintained schools' governing bodies is to 'conduct the school with a view to promoting high standards of educational achievement at the school.

In all types of schools, governing bodies should have a strong focus on three core strategic functions:

- a. Ensuring clarity of vision, ethos and strategic direction;
- b. Holding the head teacher to account for the educational performance of the school and its pupils; and
- c. Overseeing the financial performance of the school and making sure its money is well spent.

What do we do?

The Governing Body is responsible for ensuring that it delivers a good quality education. Together with the Head Teacher, who is responsible for day-to-day management, we set and drive forward the school's aims and policies.

Some of our main responsibilities:

- We work with the Head Teacher and Senior Leadership Team to determine the overall direction of the school;
- We are involved in the recruitment of some staff positions;
- We monitor the quality of learning and the progress that every pupil is making; and
- We advise on school policies and procedures.

How can you get in touch with us?

Governors can be contacted via email, please see details below.

Our governors who are also parents are happy to have a chat on the playground.
